Dear Sir or Madam:

I am applying for a waiver of the two-year home country requirement. At the time I obtained my J-1 exchange visitor status, I fully intended to honor my two-year home country residence requirement.

However, the U.S. Government has created a new program by which my services can be of value in Health Professional Shortage Area in Washington State. Therefore I have decided to help out serving patients in _____ County, Washington, which has a shortage of primary care providers.
